

SECRETARY/TREASURER/EDITOR – Beverley Fisher

I have been involved with the NZ Film Buffs since 1987 when I helped my husband Ian and others, organise the first meeting in Christchurch. Although my background was of a clerical nature, I always ended up in the kitchen helping with the food which I very much enjoyed. This became a regular occurrence whenever the meetings were held in Christchurch and continues to this day.

I became a member in 2008 and soon after accepted the nomination to stand for Secretary/Treasurer and was duly voted in. Having been secretary/treasurer for other clubs, I knew what I was taking on, although with only two meetings per year, the workload is spread out and I find the role very satisfying.

About a year after I became Secretary/Treasurer, the editor of our quarterly magazine resigned and I took on this role as well. Never having done anything like this before, it was quite a learning curve. The only thing in my favour at the time was, I could touch type, but I had to learn a whole new program in order to put the magazine together. At first it was quite a challenge but over the years it has become much easier and it is something I get a lot of pleasure out of doing.
