

## **Wanganui Meeting – March 1985**

*From the write up by John McDonald.*

Date 15<sup>th</sup> 16<sup>th</sup> 17<sup>th</sup> March.

The second get together held at Noel Ruscoe's mini theatrette in Wanganui was a huge success with many new faces attending. Nearly all the old faces were also present with an apology from Don McKay of Christchurch, who had hoped to be with us this time.

Many films and pieces of equipment were bought and sold and an interesting selection of super-8, 16mm and 35mm films viewed.

The next meeting will be held in Hawkes Bay on Saturday 2<sup>nd</sup> November 1985
